By identifying which reading is best for you right now, you'll receive the information you need to make the best decisions in your life. Whether you are looking to the long term or you need an answer about an immediate issue, there is a reading suited to your needs.

If after reading through the list you decide that you need both short term and long term answers, it's probably best to have a short-term (Tarot) reading first. Once you've dealt with the immediate issues, you can look towards longer term plans.
