

Advanced Tarot Log

© 2019 Copyright Paul Fenton-Smith

Each reading must be at least 30 minutes duration and include a general reading and a specific question layout. When you have completed and logged 50 practice readings, you can book an assessment. Assessments last an hour and include a written part and a practical component that includes giving a reading to a stranger. The reading will be recorded to replicate a professional reading setting.

1 Date	Duration	Name
